

Accessibility Statement – Flash Recovery

Effective Date: January 27, 2026

Flash Recovery is committed to ensuring digital accessibility for all users, including individuals with disabilities. We strive to make our website accessible and user-friendly for everyone.

Our Commitment

We are actively working to improve the accessibility and usability of our website and aim to follow applicable accessibility standards and best practices, including the **Web Content Accessibility Guidelines (WCAG)** where reasonably possible.

Accessibility Features

Our website is designed to:

- Be navigable using standard web browsers and devices
- Support screen readers and assistive technologies
- Use clear text, readable fonts, and logical page structure
- Provide alternative text for images where applicable

Ongoing Improvements

Accessibility is an ongoing effort. We continually review our website to identify and address potential accessibility barriers as we update content and features.

Need Assistance?

If you experience difficulty accessing any part of our website or need assistance with information or services, we encourage you to contact us. We will do our best to provide the information or service you need in an accessible format.
